

## NORFOLK HOUSING ASSOCIATION

May 4, 2020

Dear residents and community members,

In response to the Government of Alberta's plan to re-launch the economy in phases, we would like to update you on NHA's plan for re-opening.

First and foremost, we remain committed to the health and safety of all residents and will continue with our intensive cleaning schedule over the coming weeks.

In the interest of ensuring minimal disruption, or in the event that we have to go back to full lockdown, NHA will remain closed for now. As always, staff are available via email and phone during business hours and committed to maintaining operations. All non-essential maintenance will continue to remain on hold.

Our tentative goal is to re-open the office early June if it seems safe to do so, but we will know more as the Alberta Government shares how phase one is going for the province and for Calgary.

We appreciate your support and understanding, and hope you remain safe and healthy.

Sincerely,

Cynthia Mazereeuw  
Interim Director of External Relations
