

MEET FATIME SALEH, OUR OFFICE ADMINISTRATOR!

1. How long have you worked at NHA and how did you find yourself here?

I have been with NHA since 2016. I learned about an Office Administrator opening at the organization, I applied for it and got the job. That day was the best day of my life.

2. What does 'home' mean to you?

Home for me is a place where I feel safe and loved, surrounded by my kids.

3. What's your go-to recipe when it's your turn to cook?

My go-to recipe is my grilled fish with fried plantain and salad. Whenever I have a party with friends they always request that I make that dish for them.

4. Who is your favourite superhero and why?

My favorite superhero is Wonder Woman. I always dreamed of being just like her - strong and fearless, ready to save the world.

5. Do you have a favourite quote? What is it and what does it mean to you?

My favorite quote is from Steve Jobs: "The only way to do great work is to love what you do. If you haven't found it yet, keep looking, don't settle." After graduation, my only goal was to find something that I love, where I can help the community. I am lucky enough to say that my dream came true when I got the job with Norfolk. I work with amazing people, serving wonderful residents and I wouldn't change that for millions.

6. What is your secret talent or skill?

My secret talent is my ability to sense when someone is lying to me. It is a good skill to have, especially when you have kids - they know they can't lie to me (Mom will always find out, lol).

7. How do you de-stress after a tough day?

By taking a long walk to clear my head or just a warm hug from my kids.

8. What's the closest thing you've seen to real magic?

The fireworks on New Year's Eve - it always amazes me. It's so magical to see all the colors in the sky and the excitement in everyone's eyes (adult and kids), a mix of love, joy and happiness at the same time.

9. What's one thing you wish people knew about you?

That I am a very simple person who is always ready to help others and make new friends.

10. Coffee or tea?

I will say water, please! I am one of those rare people who drinks water
