

Questions for Staff

1. How long have you worked at NHA and how did you find yourself here?

A whole month! (Almost). It's a long story, drop by and I'll tell you all about it.

2. What does 'home' mean to you?

Home is where I can dance without being judged.

3. What's your go-to recipe when it's your turn to cook?

I'm a highly experimental chef. None of my dishes have names. A little bit of this, a whole lot of that. You can almost always be sure there's a pile of spices involved.

4. Who is your favourite superhero and why?

I've never been into superheroes. But my mum LOVES Batman so I'll say Batman. She usually knows what she's talking about.

5. What is your secret talent or skill?

I'm really good at un-tying knots.

6. How do you de-stress after a tough day?

If a beer doesn't do the trick then I start stress baking. Cookies solve all problems.

7. What's the closest thing you've seen to real magic?

I am 99% sure I saw a pterodactyl once. Does that count?

8. What's one thing you wish people knew about you?

I'm really nice! My face just doesn't always show it.

9. Coffee or tea?

I've actually never had a cup of coffee in my life. Tea all the way!
